

INFINITY is a state-certified online learning collaborative (ISD #6080-50) established via a Joint Powers Agreement and governed by an Executive Council and Governing Board, to offer online courses to students in Minnesota.

INFINITY believes that students are best served by their local district and aims to aid in that service when requested. To that end, this document provides the framework for INFINITY services to be provided to students and districts for the **2024-2025** school year, dependent upon the tuition option chosen.

Both parties agree to abide by the guidelines for supplemental enrollment in online courses set forth by MN Statute 124D.095, the Online Learning Option Act.

Online Learning Program Tuition Options:

- Educational Service Agreement - no annual membership fee, \$628 per .5 credit course
 - Access to over 80 course offerings with 11 college credit opportunities
 - Tuition charged at current MDE ADM rate
 - Highly qualified, Minnesota licensed instructor to facilitate and monitor student progress in every course.
 - District claims student/enrollment under the current MARSS process and collects state foundation and compensatory aid. Infinity Online will bill the tuition fee directly to the district for the current ADM/general foundation aid for each course enrollment (\$628 per .5 credit).
 - Students may drop a course during the first 10 days of the online semester with no penalty. Districts are responsible for the tuition for every student currently enrolled after the 10 day drop deadline. Billing for all enrollments will be collected after the 10 day deadline.

- OLL Statute Billing - no annual membership fee, \$628 per .5 credit course
 - Access to over 80 course offerings with 11 college credit opportunities
 - Tuition charged at current MDE ADM rate
 - Highly qualified, Minnesota licensed instructor to facilitate and monitor student progress in every course.
 - District will NOT collect state foundation or compensatory aid, and Infinity Online will collect the state foundation aid, for each course enrollments through the MDE OLL funding process according to Minnesota Statute 124D.096 (\$628 per .5 semester credit)

- Member District - \$1,500 annual membership fee, \$425 per .5 credit course
 - Access to over 80 course offerings with 11 college credit opportunities
 - District will collect state foundation and compensatory aid, and Infinity Online will bill the district the reduced tuition rate, for each course enrollment (\$425 per .5 credit)
 - Program input and feedback on direction and course offerings of program
 - Professional development and online teaching opportunities for interested staff
 - Highly qualified, Minnesota licensed instructor to facilitate and monitor student progress in every course
 - Students may drop a course during the first 10 days of the online semester with no penalty. Districts are responsible for the tuition for every student currently enrolled after the 10 day drop deadline.
 - Billing for all enrollments will be collected once per semester
 - District signs Joint Powers Agreement and agrees to abide by all policies set forth

Program Responsibilities

Infinity Online will provide:

- High-quality, rigorous, standards-aligned courses
- Highly qualified, Minnesota-licensed teachers
- Secure server hosting for course access
- Coordinate student access to courses; including course materials, Microsoft office365, e-mail accounts, and any necessary course-related software
- Regular communication with student, family, and school to facilitate and monitor the online student's academic progress
- Student and district advisement regarding OLL options
- Enhanced technical support for online learning students
- Informal audit access for district contact person to monitor student progress
- Formal mid-course and final grade reports
- Work with designated online contact through the academic intervention process with family/student regarding student engagement and progress concerns

District Responsibilities

District will provide:

- Student advisement regarding OLL options
- Designate a contact person to help facilitate and monitor the online student's academic progress
- Provide the online learning student the same access to computer hardware and software available in the school as all other students.
- Provide initial technical support for students
- Participate in academic intervention process with Infinity Online and family/student regarding student engagement and progress concerns
